

# Thomas PPA SYSTEM

This two-day training provides global accreditation for the use and application of the Thomas Personal Profile Analysis (PPA) System, which is a work-based, assessment tool for assessing people, jobs and teams accurately and objectively to deliver business goals.

## Benefits to the Organization:

Trained Thomas Analysts will gain skills to:

- Hire top talent the first time
- Improve employee engagement
- Coach managers to motivate and retain talent
- Facilitate in-house self-awareness training - retention tool
- Identify "high potentials"
- Become an in-house Thomas System Analyst

## Benefits to the Trained Thomas Analyst:

- Learn how to objectively evaluate and align jobs with the corporate culture and business objectives of the company (Job Profiling tools that drive business results)
- Learn how Thomas applies a scientific "Goodness of Fit"
- Membership to the Thomas North American Client Resource Site with many valuable and free downloads to make your job easier (slides for workshops, interview guides, library of job profiles, summary sheets for your learning)
- Increase your self-awareness, personal leadership style and effectiveness with others through an in-depth analysis of your own PPA results, your strengths, possible challenges and impact on others
- Gain new communication skills for interviewing, coaching and developing people by learning to "read graphs" and debrief profiles
- Gain new insights into work relationships with direct reports, managers and teams to improve relationships on the job
- Receive a certificate which has global recognition by Thomas International
- Participate in group discussions and networking

## Thomas Assessments help clients deliver ROI:

*"Profiling our drivers has enabled us to understand them better, train them more effectively and reduce the avoidable accident rate by 50% in the last 12 months - there is still room for further improvement and we are committed to continuously seeking to better ourselves."*  
BOC Sureflow

*"The sales professionals have positively responded to the Thomas PPA workshops and have been so grateful that our company has done this for them. Employees have also benefited from this especially in terms of enhancing their interaction with others. Overall, the program is supported by all the Senior Managers as they see the value in the results and have endorsed the Thomas PPA Profiling to be part of our training curriculum."*
